Explanation

This notice represents the information processed as of April 14, 2020. Please read it and keep it for your records.

The Ontario trillium benefit (OTB) is fully funded by the Province of Ontario. It is paid monthly and combines the payments of the Ontario energy and property tax credit (OEPTC), the Northern Ontario energy credit (NOEC), and the Ontario sales tax credit (OSTC).

We reviewed your entitlement based on:

- a change to your marital information

Result of the review

We changed your account as follows, based on the updated information:

Program	Adjustment	(\$ Amount	Period
OSTC	Debit	102.67	Dec 2019

We cannot determine if you are still entitled to the OSTC without the following information:

- confirmation by you and your spouse or common-law partner of your marital status and the date of the change

We need to know your spouse's or common-law partner's 2018 net income to calculate your credit. If this individual immigrated during 2018 or after, we need the date of entry and how much world income, converted to Canadian dollars, he or she earned before coming to Canada.
